

WELCOME.
 You just bought a NIXON watch.
 How about that. Welcome to the NIXON side, a side that's about custom-built product, quality, and durability.

We're stoked you selected one of our watches. The fact that you bought a NIXON means you can probably tell time, but you may not be familiar with all the doodads and features of our watches. So if you're stuck, read through these instructions. Or get your friends to read them and then they can tell you what's up.
